Norm Crawford

Topeka, Kansas

Dear Mr. Crawford,

We have reviewed the materials you submitted to this office concerning your complaint regarding the entries in your civil record. We have determined that the ACLU will not be in a position to assist you. I am sure that you are aware of the tremendous volume of inquiries received by the ACLU. Additionally, limited staff and financial resources available to the ACLU force us to be extremely selective regarding the cases we pursue.

This is not meant to be a judgment that your complaint lacks legal merit. In fact, if you would like to pursue this matter further you may wish to consult a private attorney or a public defender. We cannot make referrals to private attorneys or provide you with legal advice. You may find your state or local bar association or legal aid society helpful in locating an attorney to discuss your concerns.

I am sorry we cannot assist you.

Sincerely,

Lawrence J. ...
